

ROHS Grocery Certificate Fundraiser

Are you looking for a convenient way to support the ROHS Choirs? You can do it while going about your weekly routine of providing groceries for your family!

Our local grocery stores (Hollywood and Oakridge) will work with us by providing "gift certificates" that can be redeemed for the amount specified on the face of the certificate. They will in turn donate 5% of that amount back to the choir committee: 4% will be placed in your student's account and 1% goes to the general account. This can add up to be a great benefit to your student's account and the ROHS general account. We are trying to set up a program with Kroger as well.

For example:

- You purchase \$400.00 worth of gift certificates from Hollywood. Your student's account will receive \$16.00. The general account will receive \$4.00.

How can you participate in this program? It's easy!

- Complete the form at the bottom of this flyer. Certificates will be sold the last Friday of the month that school is in session, during lunch (10:45 a.m. – 12:20 p.m.), outside the auditorium.
- You can also contact Diane Flynn-Hahn by phone or email to arrange for certificate purchase.
- **Grocery certificates will also be sold before all choir concerts and at intermission.**
- **Grocery Certificate Sales at school will be: 9/28/07, 10/26/07, 11/30/07 and 12/14/07 or 12/21/07 whichever is the last Friday of school in December.**
