

Dear Friends,

With the 2017-2018 school year underway, we are busy planning the annual “Senior All Night Party” for our soon to be graduates. This is a special event open to all Royal Oak students of the Class of 2018. This event is provided by the parents of Royal Oak High School seniors in cooperation with the ROHS PTSA. It is an event, held at the Emagine Royal Oak to celebrate four years of hard work, academic achievement and graduation in a safe, supervised, drug and alcohol-free environment.

In an effort to include everyone and to defray costs, we are seeking support from local businesses. If you would like to show your support for this event, you may do so by completing the information listed below. In return, **we will publish your company name and logo in the ROHS PTSA Newsletter, Website and Social Media groups** and on any signage at the event.
